# Forty-eight homes on one quiet avenue

2 BHK townhouses in a gated campus off Waghodia Main Road.

Lake Tree Avenue is a gated campus of 48 two-bedroom townhouses, each with its own entrance, private terrace and parking.

A 12-metre town planning road brings you to the gate. Inside, 7.5-metre internal roads reach every door.

Two plan types: six homes in the entrance row, forty-two along the avenue.

# Between Parul and Sumandeep

On the main Waghodia Road, in the stretch between Parul University and Sumandeep College.

The gate opens onto the main road, so there is no approach lane to negotiate and no last-mile detour.

Two of Vadodara's largest campuses sit either side of you, which is what keeps this stretch of road serviced, lit and in demand with tenants.
